

# Old Nags Head Place Trash Schedule and Etiquette 2021

The Town of Nags Head has three Trash routes: Blue, Green and Red. **All Old Nags Head Place houses are on the *Blue Route*.** Sanitation collection takes place **EARLY** in the morning so sanitation carts must be rolled out the **NIGHT BEFORE** scheduled collections.

- **SUMMER** - Roll out Trash on **Sunday night** and **Thursday night**.
- **WINTER** - Roll out Trash carts on **Sunday night** and **Thursday night**.

- All sanitation carts must be placed at the edge of the roadway with the lid opening facing the street and a spacing of three feet between carts.

- Sanitation carts should be removed from the edge of the roadway and pulled **BACK** to the house as soon as possible on the **SAME DAY** as collection.

- If Trash in your carts was not picked up, it may be due to one of the following reasons: cart blocked due to a parked vehicle, cart was overflowing, cart was facing the wrong direction, carts were too close together or the cart contained non-household trash such as yard debris.

For pickup problems or additional questions please contact Nags Head Public Works at 252-441-1122 or visit sanitation website at:

The Town of Nags Head DOES NOT (as of January 1, 2021) collect RECYCLING Items. The Town is in the process of evaluating proposals to provide subscription-based residential curbside recycling service. Home Owners can take recycling items to drop off points in the Town (see <https://www.nagsheadnc.gov/417/Residential-Recycling>). Presently smaller Recycling carts can be used for Trash disposal.
