

Old Nags Head Place

Trash and Recycling Information

2023

The Town of Nags Head has three Trash routes: Blue, Green and Red.

All Old Nags Head Place houses are on the *Blue Route*. Sanitation collection takes place **EARLY** in the morning so sanitation carts must be rolled out the **NIGHT BEFORE** scheduled collections.

- **SUMMER** - Roll out Trash on **Sunday night** and **Wednesday night**. Roll out Recycling on Sunday night.
- **WINTER** - Roll out Trash carts on **Sunday night** and **Wednesday night**. Roll out Recycling on Sunday night.

- All sanitation carts must be placed at the edge of the roadway with the lid opening facing the street and a spacing of three feet between carts.

- Sanitation carts should be removed from the edge of the roadway and pulled **BACK** to the house as soon as possible on the **SAME DAY** as collection.

- If Trash in your carts was not picked up, it may be due to one of the following reasons: cart blocked due to a parked vehicle, cart was overflowing, cart was facing the wrong direction, carts were too close together or the cart contained non-household trash such as yard debris.

For pickup problems or additional questions please contact Nags Head Public Works at 252-441-1122 or visit sanitation website at:

<https://www.nagsheadnc.gov/415/Residential-Trash-Collection>.

Old Nags Head Place Homeowners are encouraged to obtain the correct **Blue Route Stickers** (see below) for their sanitation carts and **Blue Route Clings** for display on their refrigerators. Stickers and Clings can be obtained from the Public Works Facility, 2200 Lark Avenue, Nags Head (off 8th street behind the Bowling Alley). Clings only can be obtained from Nags Head Town Hall, 5401 S. Croatan Hwy, Nags Head. **Homeowners are encouraged to post Trash instructions for renters over or near kitchen garbage cans (see last page of document).**

Town of Nags Head Offering Subscription-Based Recycling Service

Starting May 1, 2021 TFC Recycling (<http://www.tfcrecycling.com>) will be providing a \$9/month subscription-based curbside recycling service to Nags Head homeowners. The Town is building a list of potential

subscribers until the TFC call center is operational. If you are interested, please call the Town at 252-441-122 and provide contact information. TFC will follow-up and call each homeowner.

Homeowners will contract directly with TFC for the recycling service, which will cost \$9/month. To encourage curbside recycling, the Town is subsidizing TFC's bid of \$14/residence by \$5. TFC will bill homeowners directly for the service. **Collection of recyclables will take place on Mondays all year long.** Home Owners can also take recycling items to drop off points in the Town.

For more information, see <https://www.nagsheadnc.gov/417/Residential-Recycling>). Presently smaller Blue Recycling carts can be used for Trash disposal.
